

Investing in the third sector
Improving public services

Futurebuilders and CRN UK

Jonathan Lewis

Chief Executive, Futurebuilders

What is Futurebuilders?

- A government-backed fund offering support and investment to help TSOs (charities & social enterprise) to win and deliver public sector contracts
- Principally loans, also grants and professional support
- Now open to all service areas
- Over 270 investments to date, totalling over £120m

Eligibility

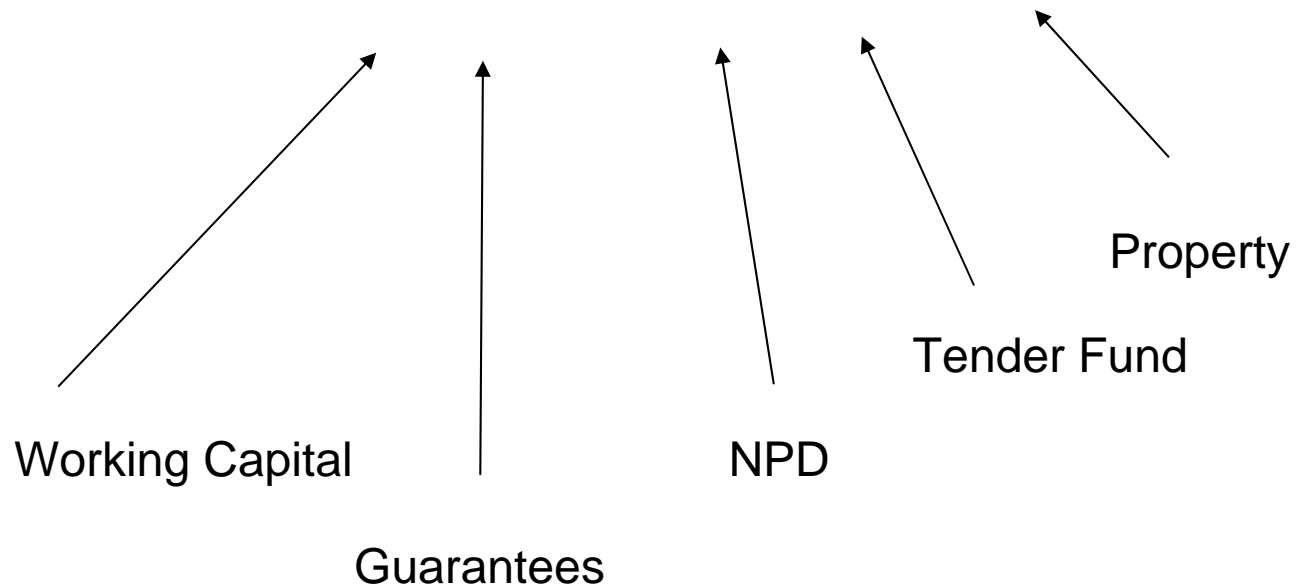

Key criteria...

- Seeking to win public service contracts
 - 51% rule
- Un-bankable
- Benefit in England

FBE core purpose

To invest in TSOs so they win and deliver contracts

WE WANT TO USE OUR
MONEY TO HELP YOU
WIN PUBLIC SERVICE
CONTRACTS

Investing in the third sector
Improving public services

What success is

- Lots of contracts (i.e. market can work)
- A range of contracts
 - Big / small organisations
 - Traditional / innovative financing
 - Close / far to investment ready
 - Across service areas
- Thumbs up from the market

How we want to work with you

- Tell us what you need / we will try and help you
- Business not application relationship – dialogue not forms
- Fast response – 1 week / 6 weeks
- Launch new products > evolving market
- We are stewards – Third Sector's success or failure
