# Community Recycling and Economic Development (CRED) Programme (1)

- **Lottery Funding administered by RSNC (<http://cred.rsnc.org>)**
- **Funding of between £50,000 and £300,000 between 2003 and 2006**
- **Specifically for community sector sustainable waste management projects (new projects, geographical expansion, new materials, improving diversion)**
- **Match funding required at sliding scales**

## **Community Recycling and Economic Development (CRED) Programme (2)**

- **Emphasis on household waste**
- **Activities funded (including match) must turnover at least 51% household waste**
- **Capital must be paid back after depreciation**
- **Must 'build sustainable communities'**
- **Will support projects collecting materials from CA sites**

## Other Lottery Funding

- **Community Fund – a range of priorities, generally supporting projects for specific disadvantaged groups.**
- **Awards for All- Grants of Between £500 and £5000**
- **SEED Funding (now closed)**
- **Other NOF funding for Renewable Energy and Sustainable Communities**
- **Fair Share areas**

# Recycling Credits

- **Available for materials that are recycled only**
- **Discretionary per tonne payment from local authorities**
- **Only waste for which no charge is made (i.e. household waste)**
- **Requires evidence**

## Other Funding

- **Single Regeneration Budget**
- **Neighbourhood Renewal Fund**
- **New Deal for Communities**
- **Charitable Trusts**
- **Companies**
- **Others**

## **Intermediate Labour Market Initiatives**

- **About moving people from long term unemployment or people who would otherwise find it difficult to get employment into the labour market**
- **Funded temporary posts with training and development up to 12 months**
- **Generally ‘additional’ jobs that contribute to local employability**
- **Usually delivered by a range of agencies**
